About Ginger

Stacie Bloomfield: Creative Director & Founder/ Angie Classen: Manager & Wholesale Coordinator

Ginger is an illustrative paper goods & homewares store based in Arkansas. Filled with cards, pillows, & tea towels that are sweet enough for children but smart enough for adults, Ginger tries to find the perfect balance of artfulness & playfulness in each illustration. Ginger is the work of illustrator Stacie Bloomfield.

Stacie founded Ginger in 2009 when she couldn't find the perfect art to hang in her baby girl's nursery. Soon, Stacie began creating art prints, handmade pillows, & tea towels that drew inspiration from heirloom quilt patterns, beloved animals, & carefully curated color palettes.

Ginger's diverse line of products have been featured with Martha Stewart American Made, Oh Joy, *Pregnancy & Newborn Magazine*, *Artful Blogging Magazine*, Design Sponge, At Home Arkansas Magazine, & Better Homes and Gardens Online. We hope that this is only the beginning of more beautiful things to come.
